

Help Creating Your Urban Planet Web Site

Department of Educational Technology

PROBLEMS or QUESTIONS

Look for answers at <http://uphelp.spps.org>

If answer isn't in the instruction sections try

http://uphelp.spps.org/Tips_Issues_ideas_integration.html

Still no answer? Fill out a problem form at

http://uphelp.spps.org/question_problem_idea_form.html

Or Leigh Nelson leigh.nelson@spps.org (651-603-4914)

Questions about Lab locations, pdExpress, general info about department

Contact Martha Hill martha.hill@spps.org (651-603-4981)

TRAINING NEEDS

For group training at your building see information and form at

http://uphelp.spps.org/Onsite_Training.html

For workshops at 1930 Como register at

<http://pdexpress.spps.org>

Training materials http://uphelp.spps.org/Urban_Planet_Handouts.html

http://uphelp.spps.org/Help_Videos2.html

WEB SITE DESIGN

Check the Site Design section of the help site at

http://uphelp.spps.org/Site_Design.html

Additional issues are listed in the Site Design item at

http://uphelp.spps.org/Tips_Issues_ideas_integration.html

Or Leigh Nelson leigh.nelson@spps.org (651-603-4914)

Or Steve Buettner steve.buettner@spps.org (651-603-5008)

UP CURRICULUM INTEGRATION

Contact your Integration Coach: Ivar Nelson, 603-4949 or Leslie Yoder, 603-4923 or Joel Swanson, 603-4933 or Steve Buettner, 603-5008

Don't know which one? Contact Martha Hill at 651-603-4981

BROWSERS

* Best choice: **FireFox**. Free download from <http://www.mozilla.com> Includes the formatting bar for Mac users. Attention-- major quirk. If you cannot delete when editing a field, first hit the space bar.

- **Do not use** Safari or Netscape to administer your site.

- **Explorer** is OK but no longer being updated by Microsoft and for Urban Planet does not include the formatting bar for Mac users.
